Words with -ation suffix.

Words with the suffix -ation usually tell an action, a process or result.

You can change verbs into nouns by adding the suffix -ation. E.g. expect + ation = expectation

Sometimes the root word changes before the suffix is added. When we add suffixes beginning with vowel letters, the usual spelling rules apply.

- Word ends in 'y', change to 'i' and then add the suffix with a 'c' at the beginning. E.g. Specify + cation = specification
- Root word ends in an 'e' which is dropped. E.g. Explore + ation = exploration

I have changed some of the verbs to nouns. Please add the rest of the suffixes.
