

Year 6 Homework-Autumn 2020

World War 2

These are your child's homework activities for this term. Activities may be linked to the topic your child is studying in class or a specific curriculum subject. Children will need to draw on a range of subject specific skills to complete these activities. Some tasks may be independent, whereas others may include working together to produce, make or solve something. Your child can select activities which they are interested in and want to achieve. Please remember that tasks can be done to suit your circumstances week to week, that may be a little each week or more one week and less another thus allowing greater flexibility to work on home learning in an ever-busy world.

When your child has completed a task, please upload a photo (or document) to Showbie. Every child has their own Showbie login and this term we will be celebrating our homework in class using the Showbie platform. All tasks are to be uploaded **by Wednesday 9th December**. Your child be encouraged to talk about the activities they have been completing at home using Showbie to share their efforts. We look forward to seeing how many activities you can complete!

Shorter Activities			longer Activities
<u>English/Maths games</u> Complete some of the Maths or English games on our year group webpage to support Maths and English skills for this term.	<u>Art and design</u> Draw and label a piece of military machinery EG; bomb, bayonette, anti-tank weapon or tank.	<u>Science/Maths</u> Which materials would be good for making blackout curtains for windows? How could we test them? Which material is the best?	<u>D&I</u> Make a model of an air raid shelter. Maybe you could use a shoe box to show the outside of the shelter and put in the things that you would find inside of the shelter.
<u>Maths</u> Research old British money. Write some maths problems using old money for a friend to solve.	<u>Music/PE</u> Learn a wartime dance (such as the lindy hop). Which musical artist will you choose for your performance?	<u>Geography/ICT</u> Using a map of the world, locate the countries that were involved in the world war. Colour code it with allies and axis.	<u>Free Choice</u> This activity is a free choice. You can choose an area of interest that is linked to our topic. Then decide on how you want to show your learning. Will you make a model? Write a story? Create a non-fiction booklet? Make a map? Build something? Create something? Use ICT? Work with others or independently? Decisions!! Decisions!!
<u>History</u> Research the D-Day landings. Create an information booklet or poster explaining what happened on the day. Where did soldiers come from? Why were they there?	<u>Design/ICT</u> Research popular wartime toys and make a version that is made completely out of recycled materials.	<u>English</u> Write a short biography about Alan Turing and why he was so helpful during the war? What did he do that was so helpful?	<u>BONUS ACTIVITY</u> Write an announcement that could have been played out on the radio in WW2. Here is an example to help you: https://www.youtube.com/watch?v=MkTw3_PmKtc&safe=true Perform it as if you were the Prime Minister.
