## **School Meals Provision at Shavington Primary School**

As you may be aware, Mellors Catering Services has been appointed to provide catering services at Shavington Primary School

We are naturally delighted at this appointment and will work closely with the school staff and pupils over the coming months to improve the quality of food and service on-site.

### **Who we are**

**Mellors Catering Services is an established, family-run contract catering company that is part of the Mellors Food Group. 2018 is our 23rd year of trading and we are growing year-on-year.**

**As a local business, we are able to offer a bespoke service which is why we are the first choice caterer in the North. We were recently awarded Cost Sector Contract Caterer of the Year.**

**We operate lots of local catering contracts in the North of England, mainly within Primary and Secondary Schools.**

**Mellors Catering Services is committed to delivering an exciting choice of food to pupils with the help of our nutrition and food development team. We pride ourselves on using fresh, locally supplied produce.**

## Why Mellors Catering Services?

We provide a bespoke service to our schools including:

- Exciting new menus with a focus on fresh local produce
- Nutrition and balanced diets
- Multi-visit to salad bar
- Taster pots
- Special events and food education sessions
- Pupil recognition and awards
- Great presentation which encourages better choice

## Better value

Great news! School meals are now even better value.

We have worked closely with your child's school to ensure that you receive better value for money. There will be no increase in the price of a school lunch and it will continue to be £2.20. You will receive a copy of the menu that will start from the autumn term.

Payment for school meals is paid directly to the school by parents.

## Ask our nutritionist

There is a lot of diet and nutrition information out there but sometimes it can be helpful to have some extra guidance – that's why you can email our registered nutritionist, Danielle with your questions via our website. Danielle specialises in Childhood Nutrition and can answer all of your questions regarding school food, allergies, fussy eaters and general health and well-being.

## Feedback

The on-site catering team welcome any suggestions you may have regarding menu choice.

We invite you to come and speak with us about any specific dietary requirements your child may have. Please speak directly with your school or alternatively call the Mellors Catering Services customer hotline on 07947 730620.

We look forward to building a healthy school meal relationship with you all but above all serving your child tasty, nutritional food.

The Mellors Catering Services team.
